

Post-Acute Care Advisors

Post-Acute Care Operations | Quality Improvement | Compliance Solutions
Clinical Care Management | Medical Billing & Coding | Provider Litigation Support

Celtic Consulting is committed to the Long-Term Care Industry. Founded in Connecticut, it serves hundreds of clients as subject matter experts across the country, and sought by several National, Regional and State Professional Associations for thought leadership.

Celtic consultants provide end-to-end guidance for **Reimbursement and Regulatory** matters, Patient Driven Payment Model (**PDPM**), Minimum Data Set (**MDS**), and Case Mix Index (**CMI**), **Quality Improvement** strategies, **Survey Preparedness**, **Compliance Solutions**, **Medical Coding and Billing**, and **Litigation Support** for Post-Acute Care.

Celtic's innovation creates cutting edge products, recently releasing **PDPM Prodigy**, the PDPM Calculator. **MDSRescue** was formed by Celtic as a niche firm to target the needs of Long-Term Care clients.
